

Meridian Analytics Inc. – Annual Report, Fiscal Year 2025

Financial Highlights

Meridian Analytics Inc. reported total revenue of \$101.7 million for fiscal year 2025, a 20.8% increase over FY2024's \$84.2 million. Net income rose to \$15.2 million, compared to \$11.6 million in the prior year.

Segment Performance

Enterprise Analytics revenue reached \$68.9 million, growing 31.7% year-over-year and now representing 68% of total company revenue. Consulting Services grew more modestly to \$32.8 million.

European Expansion

As previously guided, the company launched operations in the United Kingdom and Germany in Q3 FY2025, contributing \$4.1 million in revenue in its first two quarters and establishing a 22-person regional team based in London.

Operating Expenses

Total operating expenses were \$82.6 million, including \$28.1 million in research and development, reflecting continued investment in the company's retrieval and evaluation tooling for AI-driven analytics products.

Headcount

The company ended FY2025 with 731 full-time employees, an increase of 119 from FY2024.

Outlook

Management expects FY2026 revenue growth of 18% to 22%, with European operations expected to reach profitability by Q4 FY2026.
