

## Sick Leave Policy – Meridian Analytics Inc.

### Entitlement

All employees receive 10 paid sick days per calendar year, credited in full at the start of employment or on January 1st for existing employees. Sick leave does not carry over to the following year.

### Notification

Employees should notify their manager as early as possible on the day of absence, ideally before the start of their normal working hours. For absences longer than three consecutive days, a note from a healthcare provider may be requested by HR.

### Extended Illness

Employees requiring more than 10 sick days in a year due to a serious health condition may apply for extended medical leave, which may be unpaid or covered by short-term disability insurance depending on tenure and plan enrollment.

### Sick Leave for Family Care

Employees may use up to 5 of their 10 annual sick days to care for an immediate family member (spouse, child, or parent) who is ill.

### Misuse

Repeated or suspected misuse of sick leave will be addressed through the standard HR grievance and disciplinary process, in coordination with the employee's manager.
